

ZACK KASS | FUTURIST

”

Zack helped us plan our entire AI strategy. **He just gets it.**

John Murphy

President | The Coca-Cola Company

”

Zack is easily the **most business savvy AI expert** I know.

Josh Tobin

CEO | Gantry

”

Your performance was 1st class. Everyone said it was the best session of the day! **It was brilliant.**

Jeff McMillan

Chief Analytics and Data Officer | Morgan Stanley

”

Few people understand how to apply AI to real world problems as well as Zack. He has a **remarkable knack for helping people** learn what he knows.

Lukas Biewald

CEO & Co-Founder | Weights & Biases

”

We recommend all of our clients talk to Zack about their corporate AI strategy. **He's seen it all** and can connect dots faster than anyone.

Arjun Prakash

Co-founder & CEO | Distyl AI

”

The audience loved Zack's speech. Zack was a great keynote speaker and **set the bar very high** for future events.

Deloitte

”

Zack was great. He was engaged, thoughtful, and provided **a top notch presentation.**

University of Virginia

”

His presentation was excellent, and he **made AI relevant to our life sciences audience.**
